

Give Your Child a Strong Start in School with Waterford Upstart

Washington County School District has partnered with Waterford Upstart to provide our PreK children with an on-demand early learning program that gives you tools, coaching, and resources so you can prepare your child for a bright future.

Program Benefits:

- Tailored software with fun and **engaging lessons in reading, math, and science** that are done in just fifteen minutes a day
- Personalized **family coaching and easy-to-use resources** that support the work you're already doing with your child
- A computer and internet access for those who qualify

Who Can Participate: Children entering kindergarten in Fall 2026
