- b. Mandi Gibbons opened the meeting and welcomed all who were present.

II. Rules and Procedures -

- a. Rules of Order and Procedure for the community council were reviewed.
- b. The public comment section was specifically reviewed.

III. Proposed Schedule -

- a. Dates for upcoming community council meetings were scheduled
 - i. November 17, 2026 at 5:00
 - ii. January 19, 2027 at 5:00
- b. Proposed topics for each meeting were previewed.

IV. Proficiency Vs. Growth Student Data

- a. Tusdi Snyder discussed proficiency and growth definitions.
- b. Beginning of the year student reading data was presented and discussed.
- c. Acadience math testing was pulled by the state last year, so there was no math data to go over. Discussions about replacing math assessments for teachers took place.
- d. Rise results were presented and discussed.
- e. Request for counselor to specifically address skills needed to work better in groups, especially with new math program.
- f. Question about seeing 6th grade data led to discussion about the state standards for each grade level, with long division as a specific example.

V. Current SLT Plan

- a. 2026-2027 Trust Lands Budget was shown and discussed.

VI. Adjournment

- a. It was requested that questions for the next meeting be submitted in advance so the council can be prepared to address those topics.
- b. Mandi Gibbons called for the meeting to be adjourned and it was seconded by Tusdi Snyder. The meeting was then adjourned.
